### **What range of services does Maryland Urgent Care provide?**

We have a wide range of services on a walk-in or appointment basis. These can be seen by logging on to <http://www.mdicare.com/services.html>

### **How do I make an appointment?**

Call 301-277-3555 from 8am to 7pm, Monday through Friday.

### **How do I become a patient?**

You can obtain registration forms from our website at <http://www.mdicare.com/beourpatient.html>. After completing the forms, please fax them to us at 301-552-0098. Our receptionist will phone you to schedule an appointment.

### **What do I need to bring to complete my immigration physical exam?**

You will need to complete 1) a simple registration form, 2) your immunization record, and 3) a photocopy of your passport page bearing your USA visa or I-94.

After completing the physical exam, the necessary tests, and immunizations, your forms will be ready in 48 hours.

### **How is payment for Maryland Urgent Care handled?**

Immigration physicals and travel vaccines are not covered by regular insurance plans, a cash or credit card payment is made at the time of delivery of service.

Appointments and services for other reasons: regular physicals and walk up and regular medical appointments that are covered by regular insurances are billed. We accept all PPO, POS plans and most regular insurances.

We also have a sliding fee schedule for non-insured individuals.

### **What do I do if I have an emergency?**

If you have a serious problem that can't wait until the clinic is open, call 301-277-3555 and follow the prompts. You will be able to speak directly with an on-call physician. Sometimes it is necessary to leave a message with your contact number and the on-call physician will be paged.

### **What happens if my illness requires hospital care?**

In that case, the on-call physician will arrange for your admission at one of the hospitals that our physicians have privileges at, to ensure continuity of care.

### **What age should I be to become a patient?**

We see infants from age 6 months and above. If the medical condition requires a specialist referral, we will promptly make the arrangements, so that your needs are taken care of.
